

God Views Abortion as Murder

The murder of even one innocent person is deeply repugnant to our Creator. After Cain had killed Abel the LORD said to Cain, **"What have you done? The voice of your brother's blood is crying to me from the ground."** – Genesis 4:10

The LORD has stated that there are seven human activities which are so sinful in His eyes that He calls them *abominations*. One of these is the shedding of innocent blood. He has also stated that He will hold to account everybody who turns their eyes from such crimes and pretends not to know:

"Rescue those who are being taken away to death; hold back those who are stumbling to the slaughter. If you say, "Behold, we did not know this," does not He who weighs the heart perceive it? Does not He who keeps watch over your soul know it, and will He not repay man according to his work?" – Proverbs 24

So you see, dear reader, you won't be able to stay 'neutral'. Anyone who fails to oppose this evil will be judged accordingly by God. The sad reality is that only a perverted society stands back and permits its own children to be killed.

Human life begins at conception

The Bible never makes reference to a foetus or a pre-human organism in the mother's womb. The word for 'baby' in the womb is the same word for 'baby' outside the womb. It never says even once that an unborn child is anything less than a human being and it never uses anything less than human terms to describe the unborn.

Note in particular Exodus 21. If a man deliberately injures a pregnant woman and her unborn child dies, he must forfeit his life (**"...then you shall give life for life."**) In God's eyes the unborn child is fully human in exactly the same way you are.

Legalized abortion is evil

According to Psalm 94, a law that would legalize abortion is an evil law:

"Can wicked rulers be allied with You, those who frame injustice by statute? They gather together against the life of the righteous, and condemn innocent blood." – Psalm 94

Mothers are being cruelly deceived

Another often-forgotten tragedy is the trauma and lifelong suffering that countless mothers endure after the termination of their unborn child. Many are vulnerable women who have been deceived into thinking that abortion is acceptable in the sight of God. Only later do they realize the tragic and irreversible nature of their action.

Is abortion a form of human sacrifice?

The Bible records many instances of widespread child sacrifice, known as the worship of Molech. Parents offered an infant child to Molech, a demonic idol, to secure material benefits. The vast majority of abortions today have nothing whatever to do with the health of the mother but are conducted purely for social or economic reasons:

"They even sacrificed their sons and their daughters...and shed innocent blood...and the land was polluted with blood." – Psalm 106

Even a child can see that killing children is wrong

A law to permit abortion will be irreversible and profoundly tragic – just like abortion itself.

Secular humanism rejects God and the Bible. The moral values established by our Creator are dismissed as irrelevant or even harmful. In this chilling man-centred doctrine, the only arbiter of 'good' is man himself. The Humanist Manifesto II (1973) states the following:

"We affirm that moral values derive their source from human experience. Ethics is autonomous and situational needing no theological or ideological sanction. Ethics stems from human need and interest. To deny this distorts the whole basis of life. Human life has meaning because we create and develop our futures."

This is dangerous propaganda, a shameless attack on Christianity and the values that have underpinned human well-being for two thousand years. True moral values are God's values, not man's.

Any philosophy that regards humans merely as organisms that cease to exist at death will attach no importance to the murder of unborn children. The same materialistic worldview would even give governments the right to decide who should live and who should die. In China, for example, this mindset is so entrenched that the state has forced many women to have an abortion against their will, for the 'good' of the whole.

In the image and likeness of God

The Bible says we are not an animal species but a special creation, made in the image and likeness of God. To Humanists and Marxists, however, we are just one animal species among many. Humanity is even seen as a threat to the planet whose numbers must be culled. In that context abortion is just another way to reduce the human population. Unless you oppose this dreadful evil, your children and your grandchildren will live in a world completely controlled by a powerful elite who despise Christianity and wish to destroy it.

Is this what you want? Because if you support abortion – the murder of innocent children – you are effectively saying that the battle is lost, that Humanism is the new religion, and that the state should now decide who lives and who dies.

Job speaks of himself as a person in the womb, not an organism waiting to become human. An aborted child is an infant who never saw light:

"...why was I not hidden like a stillborn child, like infants who never saw light?" – Job 3:16

"Just as you don't know the path of the wind, or how bones develop in the womb of a pregnant woman, so you don't know the work of God who makes everything." – Ecclesiastes 11:5

An Appalling Crime

Oppose abortion. It is an appalling crime. Remember what Christ said about anyone who would do spiritual harm to a child: **"It would be better for him if a millstone were hung around his neck, and he were thrown into the sea, than that he should offend one of these little ones."** (Luke 17:2)

Do all you can to awaken others to the lie of abortion, the deep wickedness behind it, and the dark philosophy of humanism that has spread like leprosy across Europe.
